- Power switch doubles as Volume control with battery charge indicator LEDs
- Convenient battery and shoulder strap compartment
- Ergonomically designed carrying handle for effortless portability
- High-quality components and exceptionally rugged construction ensure long life
- Conceived and designed by BEHRINGER Germany

### Megaphone meets the 21st century.

Use this extremely lightweight, yet powerful PA system to get your point across indoors or on the playing field. The EUROPORT EPA40 portable PA system is designed for use in all situations where you need to raise the volume of your voice to communicate effectively with a crowd or small audience.

The EPA40 is the ideal PA system for business meetings, sports coaching, tour guides, outdoor activities, classrooms, or any place where you could use a little extra volume for your voice.

### Super-lightweight, powerful public address system to go

With its 5" full-range loudspeaker and 40-Watts of built-in power, the EPA40 provides superb sonic performance and weighs less than 6 lbs. The integrated battery pack is good for up to 8 hours of continuous operation, and recharges in less than four.

### Extreme versatility

Want to play some of your favorite tunes at the picnic? Just plug a CD/MP3 player into the accessory jack and crank it up! You can even mount the EPA40 on a microphone stand for public speaking engagements. A high-quality dynamic microphone and all the accessories you'll need are included for a complete, portable PA solution.
