Die Sollbruchlinien werden beim Knicken materialbedingt hell.
Bitte farblich nachbehandeln.

Owing to the material used, the defined folding lines will pale during folding.
Please colour additionally.

La couleur des lignes destinées au pliage est plus claire après le pliage, ce qui est dû à la matière.
Prière de les repeindre.

Места сгиба заданным линиям получают более светлыми, что обуславливается материалом. Необходимо полкрасить их.

Po přeložení jsou požadované lomové čáry světlejší.
Prosím, natřít barvou.

Linie žadanego pekniecia z uwagi na właściwości materiału przy zginaniu stają się jasne.
Proszę później uzupełnić kolor.

Az előírányzott törésvonalak behajlításnál anyagfeltételeken világossá válnak.
Kérjük ezeket színbélileg utókezelni.
